Cleary Gull, a Milwaukee based investment management company, Celebrates 25th Anniversary.

MILWAUKEE, Wisconsin, June 6, 2012 – Cleary Gull, a Milwaukee home-grown investment banking and investment advisory company, celebrated its first quarter of a century with a reception at the Milwaukee Yacht Club. The event was attended by over 300 well-wishers which comprised of many of the people who have crossed the firm’s path and helped it get where it is today.

As Michael Cleary said in his statement to the attendees, “we didn’t get here by ourselves and we didn’t want to celebrate our 25th anniversary without saying thank you for contributing to our success.”

The firm has come a long way from opening its doors in March of 1987 as a boutique brokerage house providing research to institutions on public companies. Cleary Gull is now a 65-employee organization with over \$5 billion in assets under advisement. The company is also a leading investment banking firm in the Midwest serving small to medium market private companies.

Serving clients nationwide through three specialized operating divisions – Investment Banking, Wealth Management and Institutional Advisory – experienced professionals provide high-quality solutions to individuals, institutional investors and middle market companies based on in-house expertise and research.

Cleary added, “One of the keys to our success is our complementary, yet diversified business lines. We believe that our business model allows our principals, managers and employees to have input and make decisions, so clients can get the service they deserve and the sophisticated advice they need.”

Cleary Gull is a privately-held and employee-owned firm headquartered in Milwaukee, Wisconsin providing individual and institutional investment advisory and investment banking services to

individuals, corporations and organizations throughout the nation. Cleary Gull's assets under advisement as of March 31, 2012 were over \$5 billion. www.clearygull.com
